6 Light Pendant

Like the Grecian goddess for which the series is named, Golden Lighting's Athena collection exudes strength and feminine grace. An updated classic, Athena highlights clean lines with its modern silhouette. The overall effect is beauty tempered by elegance. The collection is offered in two finishes; Chrome and Grecian Gold, making it suitable for traditional to modern decors. The Chrome fixtures feature smooth, plated metal candle sleeves on simplified arms. The Grecian Gold fixtures feature creamy candle sleeves that look and feel like real wax and come in halogen (twisted candle) and incandescent (squared candle) options. This 6-light pendant is comfortably sized for a dining room, or entry and is a stylish focal point.
